EDUCATION

University of Illinois at Urbana-Champaign | Grainger College of Engineering Expected Graduation: May 2028
Bachelor of Science in Industrial Engineering, Minors in Business, Computer Science **GPA: 3.94/4.0**

- Edmund James Scholar, George A. Pagels Fund Scholar
- Dean's List Fall 2025, Spring 2026

Relevant Coursework: Engineering Economics, Linear Algebra, Financial Engineering, Business Problem Formulation and Solution

PROFESSIONAL EXPERIENCE

Procter & Gamble, Product Supply Engineering Intern, Cincinnati, OH **May 2026 – July 2026**

- Designed a centralized lid-loading automation solution for 7 production lines at NA's largest plants by leading a 30+ person cross-functional global team across 4 locations, projecting \$1.5M in annual savings
- Redesigning a core engineering process by shifting design scope to a global partner, enabling \$250K in savings per initiative
- Optimized the supply-chain rollout of 10 SKUs for a new packaging launch by building AI assistants and an agentic Excel workflow, meeting capacity-to-demand targets across a 44-month horizon while reducing projected costs ~20%
- Developed a centralized RAG assistant for the Air Care business by evaluating 5 AI models, completing 4 iterations, and optimizing retrieval across multimodal internal files, achieving 95% FAQ accuracy

PortfolioPilot, Product Management Intern, Champaign, IL **January 2026 – May 2026**

- Created 5+ AI-generated UGC assets, increasing content output ~3x and supporting 3.0 launch experiments
- Conducted UX audits, identifying 15+ bugs/edge cases and documenting fixes in Asana, improving prioritization speed ~25%
- Designed mockups for 10+ UX issues using Magic Patterns, simplifying onboarding and reducing user friction ~20%

RPS, Energy Strategy Intern, Chicago, IL **May 2025 – August 2025**

- Produced a 10+ page white paper analyzing Illinois energy regulations to guide RPS's decentralized grid strategy, informing investor messaging and pilot deployment planning, resulting in 3 partnership opportunities
- Built a 25+ stakeholder CRM tracker in Excel to centralize outreach data, improving coordination across 3 partnerships
- Designed a 30+ slide PowerPoint deck on VPPs, blockchain, and ML energy systems analyzing decentralized grid coordination, distributed energy resources, and platform architecture to support investor strategy for RPS's energy platform

Vector Marketing, Sales Representative, Aurora, IL **May 2024 – August 2024**

- Conducted 25+ product demonstrations using consultative selling techniques, closing \$1,600+ in product revenue
- Maintained a 100+ lead sales pipeline using custom outreach tracking, increasing prospect conversion rates by 25%

LEADERSHIP AND ACTIVITIES

EntreCORPS – Consulting for Startups, Director of External Relations, Champaign, IL **January 2026 – Present**

- Facilitated 5+ cross-organization and corporate-sponsored programs per semester with product, startup, and consulting groups, engaging 100+ stakeholders and prospective members
- Led firmwide transition to a Forward Deployment Engagement (FDE) consulting model by delivering a 27-page proposal and 30-slide executive PowerPoint outlining project structure and client delivery model for Gies leadership

Senior Manager **May 2025 – January 2026**

- Directed 2 client projects over 8 weeks and streamlined recruitment by centralizing scheduling and tracking for 100+ coffee chats across 300+ candidates, ensuring on-time delivery and reducing turnaround ~20%

Project Manager **December 2024 – May 2025**

- Led a 6-member team, leveraging Gantt chart planning and competitor analysis to increase client market reach by ~15%

Illinois Consulting Academy, Member, Champaign, IL **January 2026 – Present**

- Selected as 1 of 45 students to a rigorous program focused on developing core consulting and technical skills, including case analysis, structured problem-solving, data-driven decision making, Excel, SQL, and Tableau

Product Space, Product Manager, Champaign, IL **August 2025 – Present**

- Conducted 10+ user interviews and GTM analysis for Storage Scholars, developing a repeatable campus launch playbook to guide product strategy, UX testing, and outreach to 100+ target users

Phi Chi Theta, Professional Business Fraternity, Bid Day/Special Events Chair, Champaign, IL **February 2025 – Present**

- Selected as 1 of 36 members from a 500+ applicant pool based on leadership and business potential to develop professionally
